

Dear students!

I hope that you're still feeling alright and that you are having a time as good as possible!  
Hopefully, I'll see as many of you as possible when you come back to school!

For this week, I would like you to...

- 1) complete your tasks and send them to me via email.  
[fjg-strue@hotmail.com](mailto:fjg-strue@hotmail.com)

Also:

- 2) Please tell me about your "Corona"-time.
  - What do you do every day?
  - How do you feel?
  - Do you miss school? Why or why not?

Just write a short text in the simple present (some 80 words is fine)

If you can, I would like you to type it on a computer. But it's fine if you send me pictures as well.

If you have any problems like working on some tasks or something else, please tell me in your mail. I will call you as soon as possible.

All the best, dear students!

Yours, Strü
